**PROJECT DESCRIPTION**

This is a request for a General Plan Amendment to change the General Plan designation from ML (Medium Low Density Residential) to PR-OS (Parks/Recreation/Open Space) on 0.16 acres located north of the Las Vegas Wash at the southwest end of Sandhill Road. The subject site is a portion of a larger proposed city park, and the applicant has also submitted requests for a Rezoning (ZON-33479) to C-V (Civic) of a portion of the park site that is currently right-of-way, a Waiver (WVR-33480) of the Title 18.12.130 requirement to allow public streets to not terminate in a cul-de-sac, and a Site Development Plan Review (SDR-33481) for a proposed city park. Staff is recommending approval of this request as the proposed PR-OS (Parks/Recreation/Open Space) General Plan designation is appropriate for the development of the site as a city park, and is compatible with the surrounding residential land uses.

## ANALYSIS

This is a request for a General Plan Amendment to change the General Plan designation from ML (Medium Low Density Residential) to PR-OS (Parks/Recreation/Open Space) on 0.16 acres located north of the Las Vegas Wash at the southwest end of Sandhill Road. The subject site is a portion of a proposed city park, and the applicant has also submitted requests for a Rezoning (ZON-33479) to C-V (Civic) of a portion of the park site that is currently right-of-way, a Waiver (WVR-33480) of the Title 18.12.130 requirement to allow public streets to not terminate in a cul-de-sac, and a Site Development Plan Review (SDR-33481) for a proposed city park. The PR-OS

(Parks/Recreation/Open Space) category allows large public parks and recreation areas such as public and private golf courses, trails, easements, drainage ways, detention basins, and any other large areas or permanent open land. The C-V (Civic) zoning district that is proposed for the site is consistent with the PR-OS (Parks/Recreation/Open Space) General Plan designation, and will allow the proposed city park as a permissible use; therefore, staff is recommending approval of this request.
